

# PUPPY OBEDIENCE TRAINING TRACKER

Puppy Name: \_\_\_\_\_

Start Date: \_\_\_\_\_

## PHASE 1: ESSENTIAL FOUNDATIONS

**Focus / "Look"** Maintains eye contact for 5 seconds on cue.

**Sit** Lowers hindquarters immediately without physical lure.

**Touch (Target)** Touches nose to palm of hand on command.

## PHASE 2: SAFETY & IMPULSE CONTROL

**Stay** Remains in position while handler moves 5 steps away.

**Recall (Come)** Returns to handler immediately from a distance.

**Leave It** Ignores a high-value treat or object on the floor.

### PHASE 3: LEASH WORK & MANNERS

**Loose Leash** Walks without tension on the lead for one block.

**Down** Lies down fully and remains calm.

**Wait at Door** Does not cross threshold until released.

**Note:** Mastered indicates 90% reliability in high-distraction environments (parks, near other dogs).
