

LAUNDRY ROOM ETIQUETTE

Shared Space Guidelines for All Residents

TIMING & EFFICIENCY

- Set a timer; remove clothes promptly.
 - Limit use to two machines during peak hours.
 - Do not start new loads after 9:00 PM.
 - Maximum 15-minute grace period for idle machines.
-

CLEANLINESS

- Clean the lint filter after every dryer cycle.
 - Wipe up detergent spills immediately.
 - Dispose of dryer sheets in the trash bin.
 - Keep washer doors open to prevent mold.
-

MACHINE CARE

- Check pockets for coins, tissues, and metal.
 - Do not overload machines; it causes damage.
 - Use "High Efficiency" (HE) detergent only.
 - Report broken machines to Management.
-

GENERAL RESPECT

- Never move someone else's laundry if possible.
 - If you must move items, place them in a clean bin.
 - Keep noise levels low while waiting.
 - Do not leave personal belongings unattended.
-

Thank you for being a considerate neighbor.
