

# SHAPE AREA REFERENCE SHEET

Mathematics Tutoring Resource

## Square

$$A = s^2$$

## Rectangle

$$A = w \times h$$

## Circle

$$A = \pi r^2$$

## Triangle

$$A = \frac{1}{2}bh$$

## Parallelogram

$$A = b \times h$$

## Trapezoid

$$A = \frac{1}{2}(a+b)h$$

Note: A = Area | s = side | w = width | h = height | r = radius | b = base
