

# GLOBAL POPULATION DENSITY ANALYSIS

Dataset Reference: 2024.Q1 Demographic Report

Document: REF-8802  
Scale: People per km<sup>2</sup>

WORLD AVERAGE **61 / km<sup>2</sup>**  
HIGHEST DENSITY **21,403 / km<sup>2</sup>**  
TOTAL LAND MASS **148.9M km<sup>2</sup>**  
URBANIZATION RATE **56.2%**

| REGION / COUNTRY   | DENSITY               | DISTRIBUTION VISUAL | TOTAL POPULATION |
|--------------------|-----------------------|---------------------|------------------|
| East Asia          | 152 / km <sup>2</sup> |                     | 1.67 Billion     |
| South Asia         | 405 / km <sup>2</sup> |                     | 1.96 Billion     |
| Europe             | 34 / km <sup>2</sup>  |                     | 746 Million      |
| North America      | 20 / km <sup>2</sup>  |                     | 592 Million      |
| Sub-Saharan Africa | 48 / km <sup>2</sup>  |                     | 1.15 Billion     |
| Oceania            | 5 / km <sup>2</sup>   |                     | 43 Million       |

Relative Regional Concentration  
Unpopulated Landmass
