

WORLD POPULATION DENSITY

Reference Year: 2024 Template

Scale: Persons per km²

CONTINENT	POPULATION (EST.)	DENSITY (P/KM ²)	VISUAL SCALE
Asia	4,750,000,000	150.2	
Europe	745,000,000	33.7	
Africa	1,460,000,000	48.3	
North America	600,000,000	25.1	
South America	435,000,000	24.5	
Oceania	45,000,000	5.3	
Antarctica	1,000	<0.1	

Note: Population density is calculated as the total population divided by total land area in square kilometers. Figures are approximate for educational purposes.
