

ANTARCTIC RESEARCH STATION NETWORK

International Polar Coordination & Navigation Chart

⬆️ Permanent (Year-Round)

Full-scale scientific infrastructure with wintering capabilities.

⬆️ Seasonal (Summer)

Operational from October through March only.

⬆️² Automated Station

Unmanned meteorological and seismic data collection.

Station Name	Nation	Coordinates	Type
McMurdo Station	USA	77°51'S 166°40'E	Permanent
Vostok Station	Russia	78°27'S 106°52'E	Permanent
Amundsen-Scott	USA	90°00'S 0°00'E	South Pole
Concordia	FRA / ITA	75°06'S 123°20'E	Permanent
Showa Station	Japan	69°00'S 39°35'E	Permanent
