

# **OUTDOOR WEDDING PLANNING CHECKLIST**

## **VENUE & LOGISTICS**

- Secure backup "Plan B" indoor location or tent rental
- Confirm terrain accessibility (strollers, wheelchairs, heels)
- Check noise ordinances and local permit requirements
- Verify electrical power supply for DJ and catering

## **GUEST COMFORT**

- Rent luxury portable restrooms (if not on-site)
- Arrange pest control/mosquito treatment 48 hours prior
- Prepare "Comfort Station" (sunscreen, bug spray, fans, shawls)
- Hydration station with infused water/lemonade

## **EQUIPMENT & DECOR**

- Rent weighted decor/signage (to prevent wind damage)
- Outdoor-specific sound system with wind-resistant mics
- Ambience lighting (string lights, lanterns, pathway markers)
- Heaters or industrial fans based on seasonal forecast
