

PROJECT MANAGEMENT GROWTH CHART

Scalability & Maturity Framework

Ref No: PM-2024-SC

PROJECT LEAD:
DEPARTMENT:
REVIEW CYCLE:

Growth Phase	Core Milestones	Success Metrics (KPI)	Resource Allocation & Tools
01. Foundational	Scope Definition	Approval Velocity	Internal core team; Basic task tracking; Shared documentation drive.
	Stakeholder Map		
02. Operational	Workflow Automation	Cycle Time Reduction	Mid-level PM software; Integrated communication channels; Vendor onboarding.
	Risk Registry		
03. Scalable	Resource Leveling	Resource Utilization %	Enterprise PPM tools; Dedicated PMO staff; Automated reporting dashboards.
	Template Standardization		
04. Optimized	Portfolio Sync	ROI / Value Realization	Cross-functional steering committee; Predictive AI analytics; Global scalability assets.
	Continuous Improvement		

Notes: This chart serves as a roadmap for scaling project complexity. Review phase transition requirements before escalating resource budgets.
