

LIVER FUNCTION TEST (LFT) REFERENCE CHART

Test Name	Abbreviation	Typical Reference Range
Liver Enzymes		
Alanine Transaminase	ALT	7-55 U/L
Aspartate Transaminase	AST	8-48 U/L
Alkaline Phosphatase	ALP	40-129 U/L
Gamma-Glutamyl Transferase	GGT	8-61 U/L
Proteins & Bilirubin		
Total Bilirubin	TBIL	0.1-1.2 mg/dL
Albumin	ALB	3.5-5.0 g/dL
Total Protein	TP	6.3-7.9 g/dL

Test Name	Abbreviation	Typical Reference Range
Coagulation		
Prothrombin Time	PT	11-13.5 seconds
International Normalized Ratio	INR	0.8-1.1

Note: This chart is a template for educational reference only. Normal ranges vary significantly between laboratories based on equipment, age, gender, and methodology. Results should always be interpreted by a qualified healthcare professional.
