

AUTONOMIC NERVOUS SYSTEM

Division of Function: Rest & Digest vs. Fight or Flight

EYES

Dilates Pupils

Constricts Pupils

SALIVARY GLANDS

Inhibits Salivation

Stimulates Saliva

HEART

Accelerates Heartbeat

Slows Heartbeat

LUNGS

Dilates Bronchi

Constricts Bronchi

STOMACH

Inhibits Digestion

Stimulates Digestion

LIVER

Stimulates Glucose Release

Stimulates Bile Release

BLADDER

Relaxes Bladder

Contracts Bladder

Educational Reference Chart & Autonomic Nervous System Structure
