

ANATOMY REFERENCE CHART

Internal Organ Locations & Biological Systems

THORACIC CAVITY

Organ	Location
Heart	Mediastinum, center-left
Lungs	Pleural cavities, lateral to heart
Trachea	Midline, anterior to esophagus
Thymus	Superior mediastinum

ABDOMINAL CAVITY (UPPER)

Organ	Location
Liver	Right Upper Quadrant (RUQ)
Stomach	Left Upper Quadrant (LUQ)
Spleen	Far Left Upper Quadrant
Pancreas	Posterior to stomach

ABDOMINAL CAVITY (LOWER)

Organ	Location
Kidneys	Retroperitoneal, posterior wall
Small Intestine	Central/Lower abdominal regions
Large Intestine	Peripheral abdominal cavity
Gallbladder	Inferior surface of liver

PELVIC CAVITY

Organ	Location
-------	----------

Bladder

Anterior pelvic floor

Reproductive

Deep pelvic cavity

Rectum

Posterior pelvic midline

[Illustration Area: Anterior View of Human Torso]
