

BRONCHIAL TREE IDENTIFICATION CHART

Lower Respiratory Tract Anatomy Reference

[Anatomical Illustration Placement]

RIGHT LUNG SEGMENTS

Lobe	Segmental Bronchi
------	-------------------

Superior	Apical, Posterior, Anterior
----------	-----------------------------

Middle	Lateral, Medial
--------	-----------------

Inferior	Superior, Medial Basal, Anterior Basal, Lateral Basal, Posterior Basal
----------	--

LEFT LUNG SEGMENTS

Lobe	Segmental Bronchi
------	-------------------

Superior	Apico-posterior, Anterior
----------	---------------------------

Lingula	Superior Lingular, Inferior Lingular
---------	--------------------------------------

Inferior	Superior, Anteromedial Basal, Lateral Basal, Posterior Basal
----------	--

STRUCTURAL HIERARCHY

Trachea

↳

Primary Bronchi

↳

Lobar Bronchi

↳

Segmental
