

SPLENIC FLEXURE ANATOMY

Large Intestine Focus | Posterior/Lateral View

Transverse Colon
SPLENIC FLEXURE (Left Colic Flexure)
Descending Colon
Phrenicocolic Ligament

[Anatomical Illustration Placement]

Key Landmarks

- 01. Left Colic Flexure
- 02. Phrenicocolic Ligament
- 03. Splenic Hilum Apposition
- 04. Distal Transverse Colon

Clinical Notes

- A. Watershed Area (Griffith's Point)
- B. High Attachment (Spleen/Diaphragm)
- C. Acute Angulation
- D. Mesocolic Attachment
